2-CEU credits for attending**

Where is Rider University?

The Lawrenceville campus of Rider University is:

Located 60 miles south of New York City and 35 miles north of Philadelphia in Lawrence Township, Mercer County, New Jersey. Conveniently situated five miles south of Princeton and three miles north of Trenton on U.S. Route 206. Located a quarter mile south of exit 7A of Interstate 95, just outside the village of Lawrenceville

Directions:

From the NJ Turnpike: Take the New Jersey Turnpike South to exit 7A (I-195 West). Follow I-195 West to Exit 60-B for I-295 North toward Princeton. I-295 will become I-95 South. Take Exit 7-A off of I-95 to US Route 206 South (Trenton). Rider is a quarter mile on the right.

From Route 1 South: Take the exit for Interstate 95 South (sign says "To Pennsylvania"). Bear right at junction, following signs for I-95 South (Pennsylvania). Take Exit 7A off of I-95 to US Route 206 South (Trenton). Rider is a quarter mile on the right.

From South Jersey: From the Garden State Parkway: take Exit 98 (I-195 West). Follow I-195 West to Exit 60-B for I-295 North toward Princeton. I-295 will become I-95 South. Take Exit 7A off of I-95 to US Route 206 South (Trenton). Rider is a quarter mile on the right.

From I-295 North: I-295 North, straight over the Delaware River into New Jersey. Take Exit 7-A off of I-95 to US Route 206 South (Trenton). Rider is a quarter mile on the right.

From the Pennsylvania Turnpike: Take the Pennsylvania Turnpike East to the main Philadelphia Exit 351 and follow the signs to I-95 North. Continue on I-95 North, straight over the Delaware River into New Jersey. Take Exit 7-A off of I-95 to US Route 206 South (Trenton). Rider is a quarter mile on the right.

Childhood Bipolar Disorder, Diagnostic Dilemma and the Overlap with Attention Deficit Hyperactivity Disorder.

Dr. Hayes will review the history of Childhood Bipolar Disorder and the controversy over the current lack of agreed upon diagnostic criteria. He will focus on the overlap of the symptoms of Bipolar Disorder with ADHD and the treatment implications.

Dr. Hayes is a Board Certified Child, Adolescent and Adult Psychiatrist and is director of the Alexander Road Associates Speakers Bureau. He is a Fellow of the American Academy of Child and Adolescent Psychiatry and has served as an Associate Clinical Professor at Robert Wood Johnson Medical School and is the former Chairman of the Department of Psychiatry at Hunterdon Medical Center. After completing his Child Psychiatry Fellowship at Georgetown University, Dr. Hayes joined the staff of the Carrier Clinic and helped to develop their Adolescent Unit for both mental health care and substance abuse treatment. Dr. Hayes has over 25 years of experience providing psychotherapy and individual, group and family therapy to children, adolescents and adults.
